Many of these or like interests we will get in the end, but if our people get any information concerning how the fire was stock or interest in such as thus come inde pend cut they will have lost the opportunity for profitable investments. Let us have a bureau of substantial representative men to take charge of these interests so that our people may be informed what is worthy of their attention and what is not.

THE GARFIELD CAMPUS

Mr. James Carr of New York city, who is in the city, yesterday efternoon submitted to our inspection the plans of the landscape of the Garneld Compus, as drawn at the inwhom our people know has taken such an interest in that memorial institution. Mr. Coop is at present confined in the house. In connection with the grounds Mr. Coop makes a proposition in writing to the city council that if the city will creet an entrance arch to the campus grounds of the dimensions and style or the orawings submitted. that he will as an individual erect a fountain same with fish, squatic plants, etc., which chy announce newelf a peoples candidate for of the city of Wich ta. This action is in reto request of many estimate of cits.

C. E. Manner.

On pront Standay serious pressions. on great Sunday school remaion occasions Mr. Cop also submits another proposition to the council, which will appear in the proceedings of the next regular meeting.

The plans for the isndesape of the campus are very fine and highly artistic, and we were relieved of all valuables, in after having filled every cot in the house in the chuding an elegant gold wareh, the gift of his mother, and a purse containing near \$100.000.

The hotels turn away guests every index, after having filled every cot in the house it is almost impossible to socure a house or exact an interval has already have been here six weeks are mobile to progressive rooms, and a thing to be witnessed any injuries the streets mobile to uniform the confidence of the council. According to contract the building will be completed by the first of fine and to the council. According to contract the building will be completed by the first of fine and to the council. According to contract the building will be completed by the first of fine and the council of the streets mobile to progressive and the council of the streets mobile to progressive and the council of the streets and the council of the streets mobile to section as and will cost near \$10,000.

The hotels turn away guests every index, after having filled every cot in the house it is almost impossible to socure a nous or the council of the mother, and a purse containing near \$100.000. C. Chivington wishes to ennounce himself as church not only, but our outire people upon the fact that Mr. Coop has taken so great an interest in the Gartield university.

Rev. William Portens, of St. Louis, will betwee at the First Presbytes ian church next Tuesday evening on "The Yellowstone and a Gampse of the Geysers." He wid arrive probably Monday evening and will be the guest of Dr. and Mrs Ordway.

The lecture which the doctor will give in this city is pronounced by critics bester than his lecture on Paris, Fompin or the Holy Lund. The proceeds of the evening will be a ided to the organ fund of the new church, In speaking of the lecture the St. Louis

Evangelist says the following: Our friends in Winita will have an opportunity on the 5th of April of hearing the line lecure in "The Y-howsome and a Gympse of the General" by hev. Wm. routus. It's descriptive powers find full scope in the scenery and wonders of that park and there is but one opinion of that before many the many tends of this city. becture among the many people of this city who have neared a and that is of unqualified praise and gratification.

OPENING.

Yesterday was the spring opening of the the evening the crowd commenced coming into the store about 7 o'clock and kept it up Tam a candidate for aderman in Fourth ward— till a inte in air. The store had been fitted up sold. The purchaser yesterday brought he tudes and are s ill stretching their auricular one term which had been arranged to as to make a most tasteful and artistic display. Mr. Goss. and a force of ten clerks received and waited upon the string of cus oners. The ladies received as a uvenirs of the o casion tent card baskets, but so many more visited the store tunn was expected that the supply ran out early without a driver. Men and women and Mr. Goes was unwillingly compelled to nished their choicest tousic while the crowd was inspecting the stock. The opening, Mr. joined in the procession. When about fif-Goss may congratuiate himself, was a suc-

THE MIKADO.

The Lotus opera company headed by Miss Lillian Brown will open an engagement at Crawford's this coming Wednesday in the "Mikado." It has been the unanimous opinestablish a stone mill in this city. Late investigation of the city by the company has resulted in deciding to put in a larger plant here than was first anticipated.

Yesterday the site for the mill was decided upon It will be located near Eleventh street on the Ft. Scott line. The company has decided to start a plant with a capital of not less than \$55,000. It will employ be services. ion of all who witnessed their performance Wyatt, of Topeka, who made so favorable an impression as Lady Angela in "Patience's and Peep-Boo by Miss Laura Woodcock.

CRAWFORD'S OPERA HOUSE Miss Lillian Lewis presented Core, the Creoie last evening, and finished her very successful engagement in this city. Last night's attendance was somewhat larger than the two previous nights and Miss Lewis could not have capped off her engagement in this city better than with the Creoie, which character she as times and carries through to the last to the delight of the audience.

MUNEUM Yesterday was a big day at the Museum all days From one until ten p. m. the deer was opened and closed constantly to admit new patrons. The performers must have been thankful when the coming time arrived, but they worked faithfully and seemed as fresh as usual. The "Ferryman's Daughter" goes on to-morrow with a special cast.

THE COURTS.

PROBATE COURT. Petition was fil d yesterday to sell real estate in the estate of G. H. English minor. Marriage liceuse was issued to Milton Lanning and Maggie A. Crum, both of Eagle township.

Ju-tice Barrett dispossi of nine civil suits yesterday. Justice Walker issued fourteen processes in both civil and criminal actions
